

DIPLOMA

Awarded to:

lpm production a/s

for demonstrating corporate social responsibility in:

ENVIRONMENT

Green Network has presented this diploma to the company as a recognition of the company's work for corporate social responsibility either within environment or health and safety.

Within the areas in question the company has lived up to Green Network's expectations to document the measurement of impact according to the manuals developed by Green Network or the international standards ISO 14001, OHSAS 18001, ISO 45001 or EMAS.

Green Network is a business network and consultancy within CSR, environment and health and safety, that works to enhance companies capacity within societal responsibility.

Visit www.greennetwork.dk for more information.

lpm production a/s works actively with documenting the environmental impact on their surroundings.

Green Network finds that **lpm production a/s** meets the requirements of Green Networks documentation of the company's efforts within environment.

That entails that **lpm production a/s**:

- Has produced a report according to Green Networks templates
- Has identified the material issues within the area in question
- Has set targets for continuous improvement

lpm production a/s received Green Network's diploma for the first time in 2019

The diploma covers the period from 2019 to (and including) 2021

A handwritten signature in black ink, reading 'Susanne Lydholm', written over a horizontal line.
